

2011 ICKGSS

International Conference on Sustainable Application of Geosynthetics Technology

- *Commemoration of 10th Anniversary of
Korean Geosynthetics Society Foundation*

< 23(Wed.)~24(Thu.) November 2011, Seoul, South Korea >

The ICKGSS(International Conference of Korean Geosynthetics Society) invites you to participate 2011 ICKGSS which will be held in the commemoration of 10th Anniversary of Korean Geosynthetics Society Foundation from November 23(Wed.)~ 24(Thu.), 2011.

The objective of this Conference is to provide a forum for the dissemination and exchange of scientific and technical ideas and progress among researchers which will make this conference be helpful for practitioners and researchers.

Organized by
**Korean
Geosynthetics Society**

Under the auspices of
**International
Geosynthetics Society**

CONFERENCE CHAIR

Prof. E. C. Shin (University of Incheon)

INTERNATIONAL ADVISORY COMMITTEE

Prof. Z. Zornberg (USA)

Prof. C. W. Hsieh (Taiwan)

Prof. Y. S. Jang (Korea)

Prof. A. Bouazza (Australia)

Dr. H. Miki (Japan)

Prof. J-P Gourc (France)

Prof. F. Tatsuoka (Japan)

Prof. J. Otani (Japan)

Prof. J. Kuwano (Japan)

Dr. D. Cazzuffi (Italy)

Prof. Y. M. Chen (China)

Prof. X. Tang (China)

Prof. D. Bergado (Thailand)

Prof. S. S. Kim (Korea)

Dr. K. Rajagopal (India)

Prof. E. Palmeira (Brazil)

Prof. S. H. Chew (Singapore)

Dr. N. Touze-Folz (France)

Dr. G. Heerten (Germany)

Prof. G. Hsuan (USA)

Mr. S. Allen (USA)

Dr. R. M. Koerner (USA)

Mr. Chris Lawson (Malaysia)

ORGANIZING COMMITTEE

Chair : Prof. H. Y. Jeon (Inha University)

Co-chair: Prof. C. Yoo (Sungkyunkwan University)

Core members: Prof. J. K. Han (Chungang University), Prof. S. G. Yoo (Myungji Technical University), Mr. Kwan-Young Cho (Daehan I.M. Co. Ltd.), Dr. H. G. Kim (FITI), Dr. N. Y. Kim (Korea Expressway Co.), J. Yuu (Goldenpow Co.),

CONFERENCE TOPICS

- I - Coastal, Transportation and Underground Engineering
- II - Erosion Control and Hydraulic Engineering
- III - Geo-Environmental and Green Structure Application
- IV - Testing, Standardization, Regulation and Reliability
- V - Geosynthetics Stabilized and Reinforced Soil Structure
- VI - MQC/MQA and CQC/CQA of Geosynthetics

CALL FOR PAPERS

Abstract (of no more than 300 words, within one A4 page) should be sent to the organizing committee. Abstracts should include your name, full address and conference topics.

Please check the important date.
