

## **Training and Field Day Locations**

### Hilton Garden Inn

I-85 at Exit 19A

Anderson, SC

(Conveniently located 2 hours from Atlanta, GA,  
Charlotte, NC, and Columbia, SC)

### TRI/Environmental's

#### Denver Downs Research Facility

4915 Clemson Blvd., Anderson, SC 29621

(1/4-mile north of the Hilton Garden Inn.

Turn left at the silos!)

## **Organizing Committee**

### Local Arrangements

C. Joel Sprague, TRI/Environmental, Inc.  
Judy Wortkoetter, Greenville County

### Technical Program

J.P. Johns, McGill Associates  
Bill Spearman, Woolpert, Inc.  
John Hayes, Clemson University

### Vendor Exhibits & Demonstrations

Wilson Borden, The Erosion Company  
Pete Romocki, Consultant  
Doug Smith, American Excelsior

*None of the organizing or sponsoring committee agencies endorses any of the specific products being highlighted. The goal of this event is to educate the audience on the fact that there are numerous products available to supplement or replace traditional Erosion Prevention and Sediment Control BMPs. There are many BMPs available for use on construction sites to control erosion and prevent offsite sedimentation. All have applications and all have limitations. BMPs should be chosen based upon their applicability to the site and situation.*

# IECA - South Carolina Group Erosion & Sediment Control Training and Field Days

Anderson, SC**

Time	<b>Tuesday, October 7 (6 PDH Credits)</b> <b>Technical Sessions @ Hilton Gardens</b>
7:30	Registration + Coffee + Exhibitors
8:30 - 9:45	Ann Clark, SCDHEC – <i>E&amp;SC in SC</i> Jon Batson, Anderson County – <i>E&amp;SC Delegated Review</i> John Hayes, Clemson Univ. – <i>SC Certified Inspector Prog.</i>
9:45	Break + Exhibits
10:15 - 12:15	<u>Technology Showcase (20 minute topical presentations)</u> S. Short, Kristar – <i>Sediment Control Techniques</i> T. McGrath, UltraTech – <i>Post Construction Inlet Protection</i> Contech – <i>Shoreline and Bank Stabilization</i> S. Martin, NAG – <i>ECBs &amp; TRMs</i> W. Ellis, Mulch & Seed – <i>Hydromulch Evaluation</i> T. Carpenter, ScourStop - <i>Hard Armor Alternatives</i>
12:15	Lunch + Keynote
1:15 - 3:15	<u>Technology Showcase (20 minute presentations continued)</u> R. Singleton, Silt Saver – <i>Inlet Protection &amp; Filter Testing</i> B. Faucette, Filtrexx – <i>Compost Applications in E&amp;SC</i> East Coast Erosion – <i>Performance of Blankets &amp; Fiber Rolls</i> S. Zwilling, Profile Products - <i>Classifying Hydromulches</i> S. Ricks, ACF – <i>Engineering for Difficult E&amp;SC Problems</i> Pennington Seed – <i>Selecting Seed for Erosion Control</i>
3:15	Break + Exhibits
3:45 - 5:00	B. Bates, Woolpert & J. Wortkoetter, Greenville County– <i>NPDES/ Water Quality Compliance</i> Dr. Rich McLaughlin, NC State – <i>E&amp;SC Research &amp; Dev't</i> JP Johns, McGill Assoc. & Ray Vaughn, SCDOT – <i>Specs</i>
5:00	Exhibits + Social (IECA Southeast Chapter)
6:00 - 8:00	BBQ & Corn Maze/Hayrides/Pumpkin Patch @ TRI's Denver Downs Research Facility (DDRF)
Time	<b>Wednesday, October 8 (3 PDH Credits)</b> <b>Field Day @ TRI's Denver Downs Research Facility</b>
7:30	Breakfast on Own + Assemble @ DDRF
9:00 - 1:00	Field Demonstrations, including equipment and installation demonstrations and full-scale performance tests of erosion and sediment control systems
1:00	Box Lunch, Conversation, End of Meeting
2:00 - 5:00	Informal Demonstrations and Breakdown

**Registration:** \$100 per person (\$125 after September 5) - Thanks to our vendors, the registration costs have been kept very low to encourage the attendance of public works employees, regulators, and field personnel.

Go to [www.geosyntheticstesting.com/reg](http://www.geosyntheticstesting.com/reg) and register online or download registration forms and send a check.

Questions? Call Joel Sprague, TRI at 864/242-2220.

**Hotel Arrangements** - All class room training will be held at the Hilton Garden Inn Hotel. A block of rooms has been set aside for October 7th at the special rate of \$99 (\$129 for suites) until September 16<sup>th</sup>.

Make reservations by calling 864/964-0100 (mention International Erosion Control Assn).

For accommodations on October 6<sup>th</sup> or 8<sup>th</sup>, please call Michelle Traynum directly at the hotel (864/328-0198).

### Exhibitors/Demonstrators

ACF  
American Excelsior  
Contech  
East Coast Erosion Blanket  
Filterra  
Filtrexx  
Haynes GeoComponents  
Kristar  
Mulch & Seed Innovations  
North American Green  
Pennington Seed  
Profile Products  
Scour Stop  
Silt Saver  
UltraTech  
SE Chapter IECA  
McGill Associates

### Demonstrations

Check structure evaluations  
Erosion Blanket Installation on Slopes  
Turf Reinforcement Mat Installation in Channels  
Hydraulic Mulch Applications Rates  
SRDs including tubes, inlet protection, wattles and silt fences  
Large-scale slope, channel, curb & gutter, and germination testing  
Silt Fence Installation and Maintenance  
Scour Protection Alternatives
